# MASTER OF MEDICINE IN FAMILY MEDICINE

REGISTRATION FOR THE 2022-2023 INTAKE  
WILL OPEN IN SEPTEMBER 2021

## MMed(FM) College Programme

The MMed(FM) College Programme is a 22-month structured training programme tailored for GDFM graduates who wish to proceed to Masters level training. The course will consist of fortnightly sessions in the evenings and Saturday afternoons that comprise tutorials, workshops, clinical bedside teaching and mock sessions with role play. This will involve both centralised large group and decentralised small group teaching. There will also be a preceptorship component and a practice audit. Trainees will find the practice audit useful in helping them formulate quality improvement processes to enhance patient care outcomes. Each trainee is attached to a supervisor assigned by CFPS.

## Aims & Objectives

The aim of this course is to provide a comprehensive and structured training programme for doctors with at least 6 years' experience after graduation and have completed the 8 modules of the Family Medicine Modular Course (FMMC) to prepare them to sit for the MMed (FM) Examinations.
