## Behind the byline...

Meet the team behind this exciting issue!

### Dr Luke Low

Luke an avid Star Wars fan at heart! Look at his office and you won't fail to spot the various figures and stickers that lines his cubicle! If you ever need any help from him, just proclaim to be a Star wars fan yourself and you are more likely to get him to help more! His favourite phrase is "Do or do not. There is no try"!

### Dr Julia Yuen

Julia is an avid animal lover who loves critters big and small. She owns an adorable holland lop by the name of Cookie. She showers Cookie with lots of love, head rubs and occasionally a treat or two!

### Patricia Cheok

When not out swimming, cycling or running, Patricia is likely in the kitchen experimenting with baking recipes. She also dabbles in design, yoga and hiking. Her other main interests include *disturbing* playing with community cats.
